

Shannon and Dana Gorbahn Christmas Letter - 2011

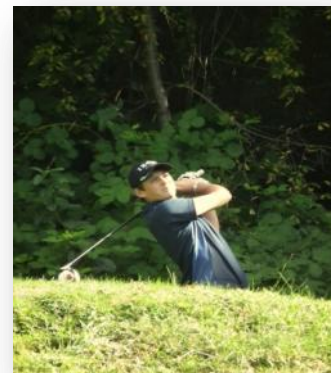

Jadyn: This year I'm in swimming its really fun I really like my coach his name is tom. I have one best friend her name is Autumnne me and her are the loudest people in the class! Like when we laugh! (haha) I'm likening school i really my teachers Mrs. Vandermark and Mrs.Krall. I don't really like Kai in Vancouver. I'm really in to taking pictures, shopping and music. I really like spending time with my animals. My cat (frost), birds (roxy and nibbles). I can't wait to go on a vacation of course I really want to try surf well being there! Well I hope to see you all soon. Love you and miss you <3 Jadyn

Jessica: Hey, it has been a really great year (summer) first me, my brother Michael and the family went to 108 for a family reunion we were there for about a week and yeah I finally got to meet all their cousins and Shannon and Dana's sisters and brothers they were all really nice. Then me, my brother Michael and the family went to Arizona I had lots of fun! We had a pool in the back yard so we could cool off and it was actually a pretty warm pool cause it was so hot down there you know? The highest 48 degrees C. It was a really nice and cozy house. One time me and Jadyn were in the back swimming? So Jadyn got out of the pool to get her goggles and we spotted a little thing crawling it was a baby gecko and we watched him for about 2 minutes then we trapped him I was on one end and Jadyn was on the other we took him inside and decided a name for him. Jadyn wanted to name him Sam so I agreed. It was lots of fun we went to a water park with amazing water slides. We also wet to a place called rock Slide Park. The other awesome part is that we got to go to Disneyland!! Yeah no it was really fun but it's too bad that Taaron and Dana couldn't make it in time for Disneyland. ☹ I don't really have favourite rides because you know? It's Disneyland they were all great! But it was expensive for Shannon. After that we stayed in Arizona for like another month. We got back to Smithers and it was almost time for school I was a bit sad and excited that I was moving to a different school I thought that I wouldn't make any friends and that no one would like me but when I got there I already knew some people! And I had Jadyn ☺ I made a lot more friends. I like Walnut Park better than the school I was in before. I hope we all have a wonderful Christmas!

Michael: This summer we went to Arizona in Maricopa i had lots of fun there we did lots of stuff there it was really nice there and it was hot and there was a pool in the back so it was all good. We went to Disney Land in Las Angels had lots of fun there too my favourite ride was the Space Mountain there was lots of stuff at Disney land that i liked. And we went to Las Vegas it was so cool there but when we got there it was all stormy and stuff but yeah i liked it there though. This is of topic but umm I am in High school now I really like it there. I go to SSS. Smithers Secondary School. Okay as I was saying about my summer I had a really good time this summer. I would say more but i don't remember any more right now but yeah that was my summer there more but yeah ☺.

Kaleb: Wow what a year! Many things have happened this past year. The best part was the golf this summer. I spent my summer in Arizona where I played in 4 golf tournaments. I played great I placed second in two events and fourth at the Arizona junior masters and thirtieth in another event. For the year I was ranked eighth for Arizona which I think is pretty good for how many tournaments I played compared to others. This coming summer is going to be a great summer for me because I will be playing The BC junior, BC amateur and BC juvenile. Plus, my parents have agreed to let me go to Utah and participate in the BYU Golf Camp which I am very excited for. I've been doing really well at school and sport. I have played on the Volleyball team and was the captain. I just found out that i made the basketball team and I hope to win Zones. Overall I am

having a great time and i hope you are too. Merry Christmas!!!!

Taaron: This past year has been crazy. after performing in several plays and winning awards (such as the Best Actor Award, one that I have been eying for years). I started work on my first ever feature film! Kai and Dad both had starring roles, but with Kai moving to Vancouver, we weren't able to finish the movie. But that's all right. I continue to take videos and pictures with my cameras and work at our family video store, expanding my knowledge of film. I was lucky enough to be picked as an extra in a big budget action movie that was filmed in our small town of Smithers, called THE GREY with Liam Neeson, which was just a super cool experience. Come next September, I hope to move to Vancouver to study Marketing and Business at BCIT. I've started this process by taking two online courses for both subjects. I am graduating early in January and hope to earn some

money for college. I love driving around in my car, paying Jadyn big bucks for her back massages (at the rate I'm going, it's looking like I won't actually be *going* to college), and spending time with my girlfriend Chloe. I hope to see all of you soon, so until then!

Kai: I'm 21 years old now and I live in Vancouver. Wow, that's a bizarre sentence for me to write. The amount life can change over a period of time astounds me. Next year--who knows? I could say I'm 22 and live in Hong Kong for all I know. You just never know what's gonna happen. Right now I take one day at a time, exploring the city, figuring out what I want to do with my life. It's a big world out there and I look forward to the future. I do miss my life in Smithers: Gone Hollywood, my cat, my family... But it feels good to be out on my own. I've had some seriously amazing experiences here. It's been very Lost in Translation-esque, if you know what I mean. Anyway! Merry Christmas. It was great seeing you all at the family reunion and for those that couldn't make it I hope to see you all soon as well.

Shannon: What a wonderful year we have had. It has been as busy as ever. Since Kai left to try something new, I have taken a larger roll looking after our 2 video stores. It has been a bit of a challenge for me however I am getting the hang of it. Plus of course busy with 5 kids still at home and doing well. We are so proud of each

and every one of them. They continue to bless our lives and we are so grateful. May each of you have a beautiful Christmas Season. We love you and think of you often.

Dana: As you can see, we had a busy and wonderful year. We have been so blessed. As far as work, things have been relatively the same as last year. It's been busy working with the political landscape as it relates to the services that we provide. Early in the year, I went on our Guy's Cruise with friends. It was a very good time, doing as much golf as we can. Unfortunately, I had put my back out during that time and struggled with pain. I continue to coach the golf team. We had won every tournament leading up to our zone championships and then lost pretty handily. We'll be the team to beat for the next few years. It was so nice to see so many of you at the Reunion. It was too bad that the weather wasn't better. Kaleb won our Greater Gorbahn Open Golf Tournament for the Reunion. I think the whole even went very well. My favourite thing over the summer was being with Kaleb at his various golf tournaments. He is

impressive watch. We love going down to the house in Arizona. I went with my 3 boys and Luke and his 3 boys in the early fall. We had a great time golfing, going to an NHL game, an NFL game, and a MLB game. All in less than a week!

Gorbahn Challenge: Hard to say who won this Challenge. Bear and Brett (Luke's son) beat me on their last day of golfing. I beat Luke and Kaleb (Kaleb was injured) on the two consecutive days that we designated for the challenge. I beat Kaleb in tennis. Luke never came fishing. I let you decide who the winner is. Please let me know.

Merry Christmas
Everyone! We love you and
wish you all the best!!
